LOCKED IN-UNIVERSE BOARD RECORDS

2021 approval

June 18 minutes approve entry into definitive documents for approximately \$48M Harrison Vale financing, subject to final legal review and no material adverse terms. Evan Mercer board appointment is effective on closing.

2022 approval

October 28 minutes approve approximately \$135M Wolf Ridge financing at approximately \$900M post-money; no founder secondary; working ownership approximately 66.5% insiders and 33.5% outside capital.

Rights retained

Investor directors serve SH, not an operating constituency. Neither investor gets ordinary-operations veto or privileged commercial access. Exact thresholds/side letters are not supplied by minutes.

Current governance

One nine-member Board; Kincaid is independent Chair and Daniel Mercer is CEO. Founder name correction is not a new meeting, seat or financing event.

Accounting and record trace

Use approved approximate financing facts and native capital records; do not substitute the 66.5/33.5 working split for a full share-level capitalization or book journal.
