

Enterprise Services · Level 03

Expansion shell | SH-SITE-0001-B02-L03

FUTURE SHELL

54 m overall

24 m depth | end service cores in grey; openings face common circulation

ZONES: blue-grey staff · green restricted · sand public · violet independent audit · tan residence

AREA

Gross 1,296 m². Assignable 882 m².
Core/circulation/service 414 m².

POPULATION

Planned peak 0 concurrent people.
Desks, meeting places, beds and training seats are distinct capacities; do not add them as employees.

ACCESS

Access follows room classification.
Deliveries and equipment use service routes.

DESIGN BASIS

Planning assumptions. Final fire strategy, structure, accessibility and MEP require coordinated engineering.

STATUS

Unfitted future shell; no occupied capacity in this scenario.
