GROSS SQUARE FEET

QUIET RESIDENTIAL EDGE

20 single rooms on this level: 16 cohort and 4 faculty/visitor rooms. The building provides 60 rooms across three floors. Beds do not create employees or increase the 120 day-learner cap.

SHARED HOSPITALITY

Education's single production kitchen supports the campus dining program. Residential arrivals remain separate from teaching, J2 reception and corporate visitor paths.

DESIGN LOAD / STATUS

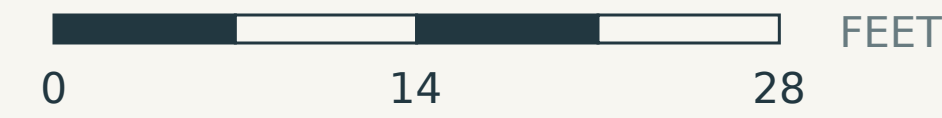

10,080 gross sq ft; 20 planned concurrent occupants. R02 concept only; actual staffing, occupancy and construction remain unestablished.

01 RESIDENTIAL USE

20 single rooms on this level: 16 cohort and 4 faculty/visitor, total 60 rooms across three levels.

02 ONE COHORT

Resident learners are already inside the 120 day-learner cap; night residency is a separate 60-person scenario.

Sage: single residential rooms / Neutral: circulation and shared support
